

ARCHITECTURAL TECHNOLOGIST

SALARY ▪ Competitive + benefits
LOCATION ▪ Bedale, North Yorkshire

THE OPPORTUNITY:

We have an exciting opportunity for a self-motivated Architectural Technologist to join our Planning, Architecture and Development team in North Yorkshire. Experience is required from feasibility through to completion, encompassing all stages of the RIBA Plan of Work where practical, RIBA stages 0-7.

PRIMARY OBJECTIVES:

- Preparation of detailed drawings from inception through to tender / construction / completion
- Production of detailed specifications, planning and listed building applications
- Production of residential master planning at early concept stages
- Production of detailed working specifications
- Production of detailed construction drawings for building control and approved contractors
- Assist in the preparation of design and access statements suitable for submission to local planning authorities
- Project management of projects on-site during construction RIBA 5-7 stages.

AS THE SUCCESSFUL CANDIDATE YOU WILL:

- Be proficient in using AutoCAD LT, NBS, Sketch up, Microsoft Office, etc. Previous experience of Revit would be an advantage but not essential
- Have an overall good construction detailing knowledge
- Have strong experience with client facing projects
- Have experience of private sector projects
- Be confident with all written form in relation to specifications, reports, schedules of work, NBS documents including preparation of design and access statements.

WE OFFER:

- Membership of the Firm's Pension Plan, with Employer's contribution of up to 3%
- Payment of relevant professional subscriptions
- 26 days annual leave per year, plus bank holidays
- Inclusion in the Firm's Life Assurance Policy given as 3 times annual salary
- Long service awards
- Company, Team and Individual bonuses
- Employee Assistance Programme.
